## Anti-bullying policy

### 1. Responsible persons

Role	Staff member
Principal/Proprietor	Shaykh Faheem Ibn Ismaeel

### 2. Definition and duty

'Bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally. Bullying can take many forms (for instance, cyber-bullying via text messages, social media or gaming, which can include the use of images and video) and is often motivated by prejudice against particular groups, for example on grounds of race, religion, gender, sexual orientation, special educational needs or disabilities, or because a child is adopted, in care or has caring responsibilities. It might be motivated by actual differences between children, or perceived differences'. (DfE)

We have a duty of care to protect pupils from bullying as part of our responsibility to provide a safe, secure, caring and friendly school environment for all the children in order to protect them from those who wish to deliberately hurt them either physically or emotionally. We believe all our safeguarding procedures are in line with current legislation and advice and that we promote the welfare of all children in our care.

We are aware that bullying is not a criminal offence but we will report to the police any incident of violence or assault, theft of school equipment or personal belongings, repeated incidents of harassment or victimisation or hate crimes.

We work hard to eliminate all forms of bullying, to keep records of all incidents of bullying and the different types of bullying that occur in this school.

We acknowledge that if bullying is left unaddressed it 'can have a devastating effect on individuals. It can be a barrier to their learning and have serious consequences for their mental health' not only in childhood but also into adulthood.

We work hard to prevent bullying from happening and to support children who have been bullied by having in place resilience processes in order to help their recovery. It is very important to work with parents and to keep them well informed at all stages.

We believe it is our moral and legal duty to protect lesbian, gay, bisexual, and transgender pupils and school personnel from all forms of bullying. All forms of homophobic and transphobic bullying must be challenged, dealt with and recorded.

We believe by creating a safe, secure and caring school environment we will encourage all pupils to report any incident of bullying to a member of the school personnel.

We are aware that under Sections 90 and 91 of the Education and Inspections Act 2006 that we have the power to discipline pupils for misbehaving off the school premises such

as on school or public transport, outside local shops or in a town or village centre. All reported incidents of bullying outside school will be investigated and acted on.

Under no circumstances does the school tolerate any form of bullying and all incidents of bullying will be dealt with promptly and effectively as we wish to promote the wellbeing of all pupils.

We work hard to demonstrate the effectiveness of this policy by ensuring all incidents of bullying are investigated, are dealt with and the outcome of each incident recorded.

We wish to endorse the School Standards and Framework Act 1998 by having in place an effective Anti-Bullying Policy that demonstrates good practice in order to prevent bullying among pupils.
